

# SAN JUAN RPD STEERING COMMITTEE

San Juan Rural Philanthropy Days | June 2022  
Serving Gunnison, Hinsdale, Montrose, Ouray, and San Miguel counties

Rural Philanthropy Days (RPD) is planned in partnership between Community Resource Center (CRC), statewide funders, and local leaders. The Steering Committee is the primary organizing body of local nonprofit, government, and community leaders to inform and shape the event.

This group of 20-30 local community leaders from across the region represent nonprofits, local government, philanthropy, and local businesses. This group provides local leadership on programming and marketing development, financial management, and brings county representation to the event.

Serving on the Steering Committee is a great way to shape the conference and the narrative that is shared about your communities, to build strong relationships with peers across the region as well as funders who serve on the committee.

The Steering Committee structure has been redesigned to thoughtfully utilize the time and talents of our regional leadership. The San Juan committee will run from December 2021 - June 2022. Steering Committee members will opt in to serve on one of two subcommittees: Program or Hospitality. Three full-group in-person meetings, and three full-group virtual meetings will be held to ensure committee members have ample time to design the conference, make decisions, and build relationships across the region while not being overburdened with travel.
